APPENDIX II: PUBLICATIONS FOR 2005 (JANUARY 1-DECEMBER 31)
(Internet Location: www.mcgill.ca/nrs/publications)

BENNETT, E.M.
global scenarios consistent with ecological feedbacks? Ecosystems 8: 143-152.
Introduction to the Special Feature on scenarios. Ecosystems 8: 125-132.
Determining Resilience Surrogates for Case Studies. Ecosystems 8: 945-957.
Well-Being: Millennium Ecosystem Assessment Scenarios for the Future of Ecosystem
Zurek. 2005. Ch.5. Scenarios for ecosystem services: Rationale and overview. In Millennium
Ecosystem Assessment. Scenarios for the Future of Ecosystem Services. Island Press,
Washington, D.C.
Bennett, E.M., and S.R. Carpenter. 2005. Forecasting changes in phosphorus cycling and
impacts on water quality in P. Kareiva et al., Ch.4. State of the art in describing future
changes in ecosystem services. In Millennium Ecosystem Assessment. Scenarios for the
Alcamo, J., D. van Vuuren, M. Rosegrant, J. Alder, E.M. Bennett, D. Lodge, T. Masui, T.
Morita1, C. Ringler, O. Sala, K. Schulze, M. Zurek, B. Eickhout, M. Maerker, and K. Kok.
2005. Ch. 6. Methodology for developing the Millennium Ecosystem Assessment scenarios.
of change in ecosystem condition and services. In Millennium Ecosystem Assessment.
Maerker, T. Masui, T. Morita, B. O'Neill, G.D. Peterson, C. Ringler, M. Rosegrant, and K.
Schulze. 2005. Ch. 9. Changes in Provisioning and Regulating Ecosystem Goods and
Services and their Drivers Across the Scenarios. In Millennium Ecosystem Assessment.
